COUNCIL COMMUNICATION

AGENDA TITLE: Laurel Avenue Traffic Legend and Lodi Lake Sign Upgrading (Information Only)

MEETING DATE: April 6, 1994

PREPARED BY: Public Works Director

RECOMMENDED ACTION: Information only.

BACKGROUND INFORMATION: The City Council, at its meeting of February 16, 1994, asked the Public Works Department to meet with residents of Laurel Avenue in order to resolve some of the on-street parking problems that existed together with improving the signing to Lodi Lake entrance.

Our Department recently completed the installation of directional signing to the Lodi Lake entrance together with adding some no-parking zones, repainting red curb and adding end stall markings at some additional driveways. The attached exhibit shows the changes we made. Through the attached memo, we also advised the Police Department of the Laurel Avenue residents' concerns related to enforcement of the illegal parking in the area.

We do believe these changes have bettered the situation on Laurel Avenue and we have already received thank-yous from some of the residents.

FUNDING: Not applicable.
